Summary

Hi my name is Logan Shaughnessy, I am a 2nd year Data Science major at Oregon State University. I am a big sports fan and follow almost every major sport which has led me to be interested in statistics and how they can improve performance both at individual and team levels. I am hoping to work with a professional sports team especially in the MLB or NFL doing Data Analytics.

Education

- 2nd year Data Science Major at Oregon State University
- Class of 2029
